

## Because Success Is Our Habit....

### **Expert Resources + Defined Expectations = Success**

At LeadThem Consulting, we provide you with the very best technical resources coupled with a comprehensive list of solutions and services. Whether you need a trusted advisor to help implement software solutions, facilitate your short term/long term staffing requirements or 24/7 emergency services – we are here to complement your team.

### **Staff Reductions? We Can Help!**

If you've experienced staff reductions, LeadThem can help you fill the technical manpower gap with immediate, qualified resources to help you achieve your business goals.

### **Only Need A Couple Hours Of Work? No Problem!**

Our experts can be working with you on your project within an hour; for as little as an hour or for as long as you need us. Our competitors often require minimum contracted hours or project scope. We are unique in providing solutions to your business challenges regardless of their size.

### **Need Staffing Assistance? Our Specialty!**

Whether you need staff augmentation, permanent or contract employees, our clients are LeadThem Staffing provides a very simple yet highly effective approach to ensure you get the perfect resource every time.

### **Looking for Managed/ Outsourced Services? We Will Assist!**

Our managed services are designed to assist you with day-to-day maintenance, user requests, health checks, and 24 x 7 emergency support.

### **Need A Reality Check For Your Project? Call 888-667-2621!**

We use Reality Checks as tools to help you ensure you are on track to reach your project goals for the least amount of money possible.
